VENUE & EVENT INFO

Welcome to the Miller School of Albemarle!

The Miller School of Albemarle is a coed, independent boarding and day school for grades K–12 and post-graduates. Founded in 1878 through a bequest by Samuel Miller, it sits on a massive 1,100-acre campus at the foot of the Blue Ridge Mountains, just outside Charlottesville, Virginia.

On the property are cross-country mountain bike trails that are sure to impress every athlete. We'll see you out there!

*Please respect our host venue site: Dogs are **not permitted** on The Miller School campus*

WELCOME TO CHARLOTTESVILLE, VIRGINIA!

Charlottesville is defined by its harmonious blend of historic prestige, natural beauty, and a modern, vibrant cultural scene. As a destination, it carries a distinct character shaped by its location in the foothills of the Blue Ridge Mountains and its deep connection to the University of Virginia and the legacy of early American history.

We're excited to host you!

DID YOU KNOW...

98% of NICA student-athletes say they will continue to cycle after graduation

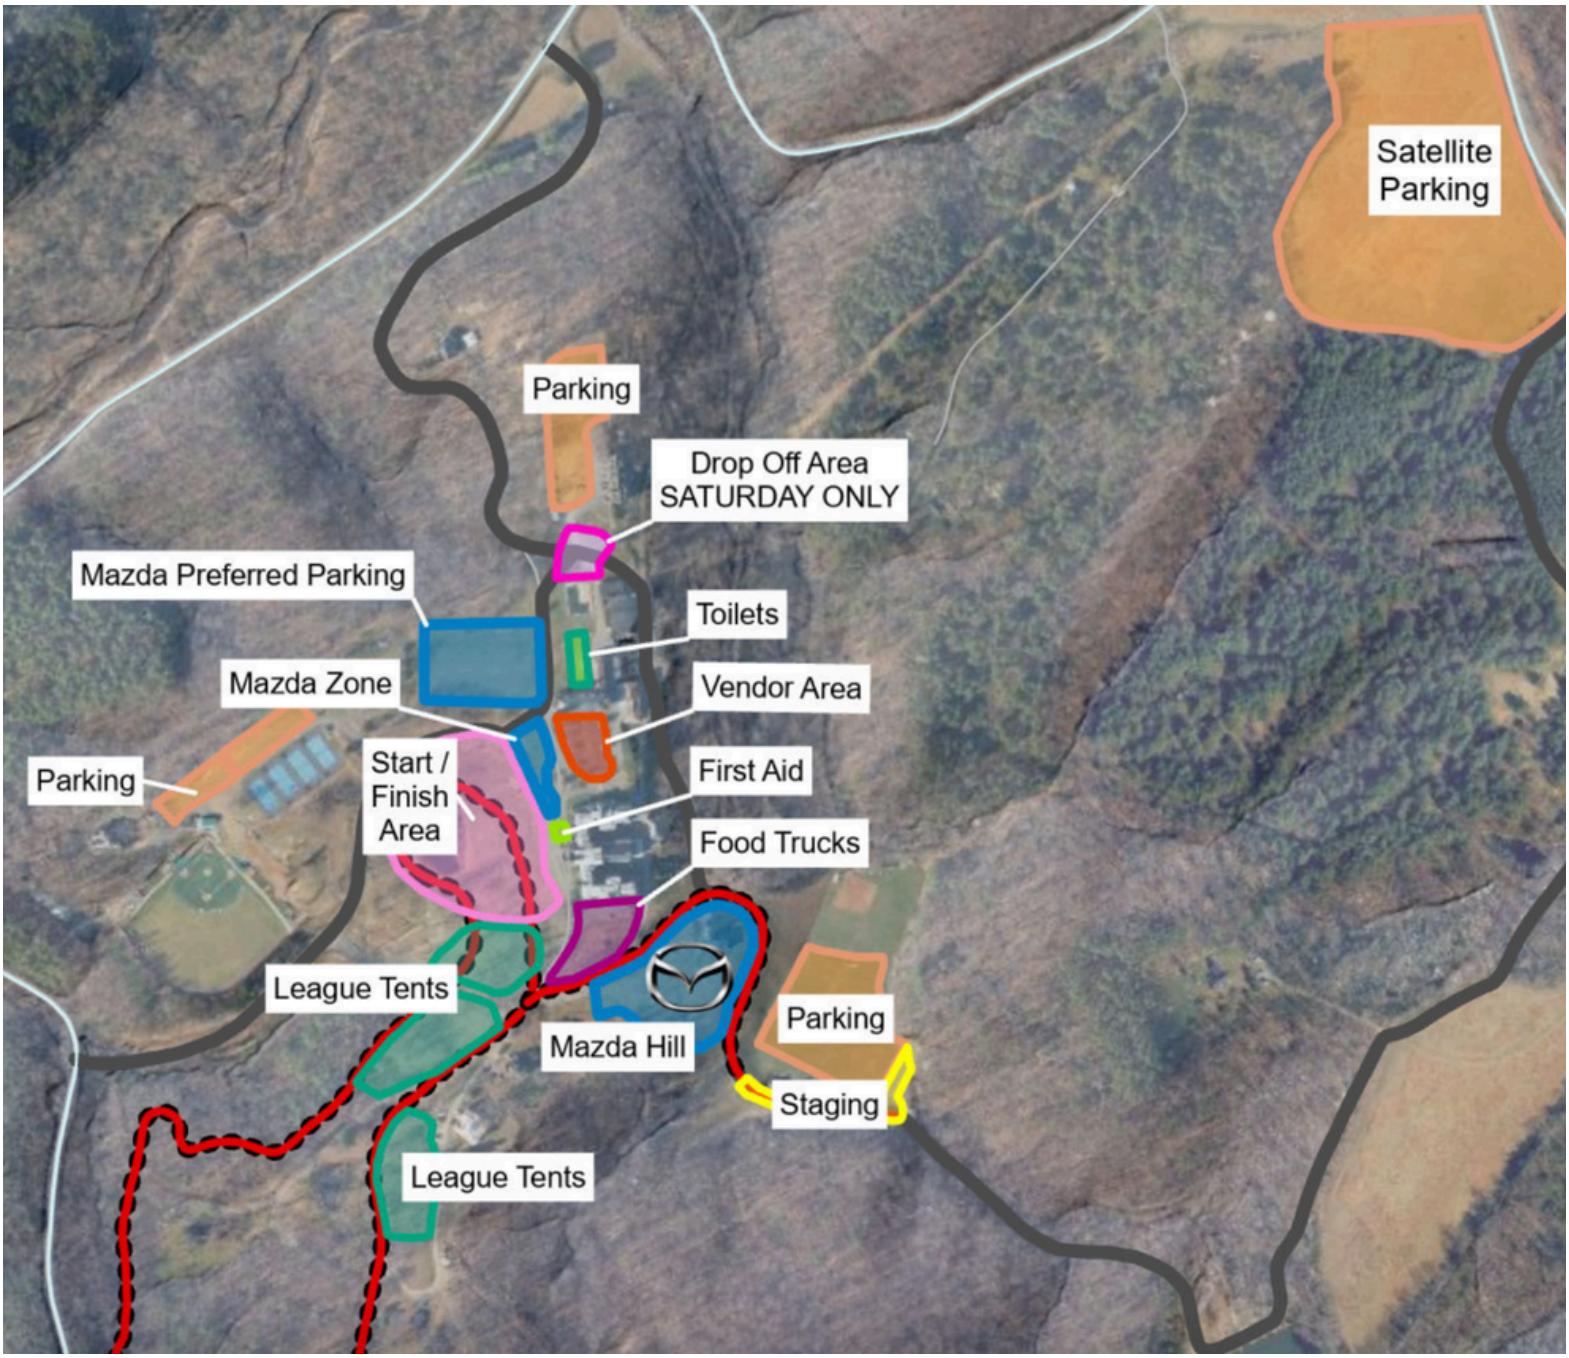

VIRGINIA INTERSCHOLASTIC CYCLING LEAGUE

The Virginia Interscholastic Cycling League, was founded in 2014 by League Director Peter Hufnagel. The league had its first race in the fall of 2015 and hosts over 500 student athletes.

THE GOAL:
MORE KIDS ON BIKES

Our commitment:

Trek is proud to support NICA riders, coaches, and families as one of the program's largest annual contributors. Why? Because more kids on bikes makes the world a better place — and time on the trail is time well spent!

How we give back:

- Provide startup funding for new leagues
- Offer discounts to NICA student-athletes and coaches
- Donate $10 to NICA for every Trek full suspension mountain bike sold

GRAB A FREE ROOT BEER FLOAT

Roll on over to the Trek tent to get a free root beer float and commemorative cup.

*While supplies last.

25% OFF MSRP ON SELECT BIKES AND GEAR

Who qualifies?

- All NICA student-athletes with a valid license
- All licensed Level 1, 2, and 3 NICA coaches

What's included?

- One of the following bikes/framesets per calendar year:

  Marlin, X-Caliber, Roscoe, Procaliber, Supercaliber, Top Fuel, and Fuel+ (Fuel EXe)

- NEW for 2026 only, one Checkpoint SL 5 (in addition to the one-bike-per-calendar-year limit)
- Rail and Fuel+ bikes/framesets for NICA coaches
- Two pairs of Trek or Bontrager MTB shoes per calendar year
- Two Trek or Bontrager Blaze, Rally, or Circuit helmets per calendar year
- One set of Flare R lights and one Trek Carback bike radar per calendar year

*All products subject to availability. No Trek retailer is required to participate in any NICA discount program. This includes any discount program related to bikes or P&A. Custom configured and Project One bikes are excluded from the discount program. All bikes or other included products are subject to availability and are up to the Trek and Trek Retailer's sole discretion. Eligible bikes must be in open inventory at Trek. Your access to NICA related discounts on Trek products is a privilege, not a right. Further, by accepting a product discount, you are agreeing to use the product for your own personal use and to be a positive ambassador for the brand. Please be courteous to your Trek retailer and enjoy the products you purchase through this program.

SAVE ON 24-HOUR SERVICE

You crushed it this season! Now through Dec. 31, enjoy:

$10 off a Level 1 tune-up

MILLER SCHOOL TOUR

OPEN HOUSE & GUIDED PRE-RIDE

Interested in learning more about Miller School and its cycling program? Sign up for a cycling team Open House on **Thursday, October 22 at 1:00 PM.**

NICA student-athletes and their families will be given full tours of the campus, including the cycling team's service course and bike shop. Following the tour, athletes will have an opportunity to preview the race course with former World Cup mountain biker and course designer, Andy Guptill.

Learn more about Miller School, its cycling program, and the Eastern Regionals race course!

Registration is required. Register HERE.

COURSE & RACING

This course rips.

The NICA Eastern Regionals course at the Miller School of Abermarle is a fast and flowy rollercoaster of forested singletrack, punchy climbs, and fun descents. With plenty of room for passing on the course, athletes will weave through rocky trails generally reserved for use by The Miller School students. This course is equal parts challenge and pure mountain bike joy.

STAGING AND CALL UPS

We appreciate you reading through this critical info before you arrive at the staging area. Thanks in advance for walking your bike, giving fist-bumps and high-fives, and for thanking our hard-working event volunteers!

CALL UP LINKS

- **Click here for CALL UP LIST**
- **Click here for CALL UP LOGIC**

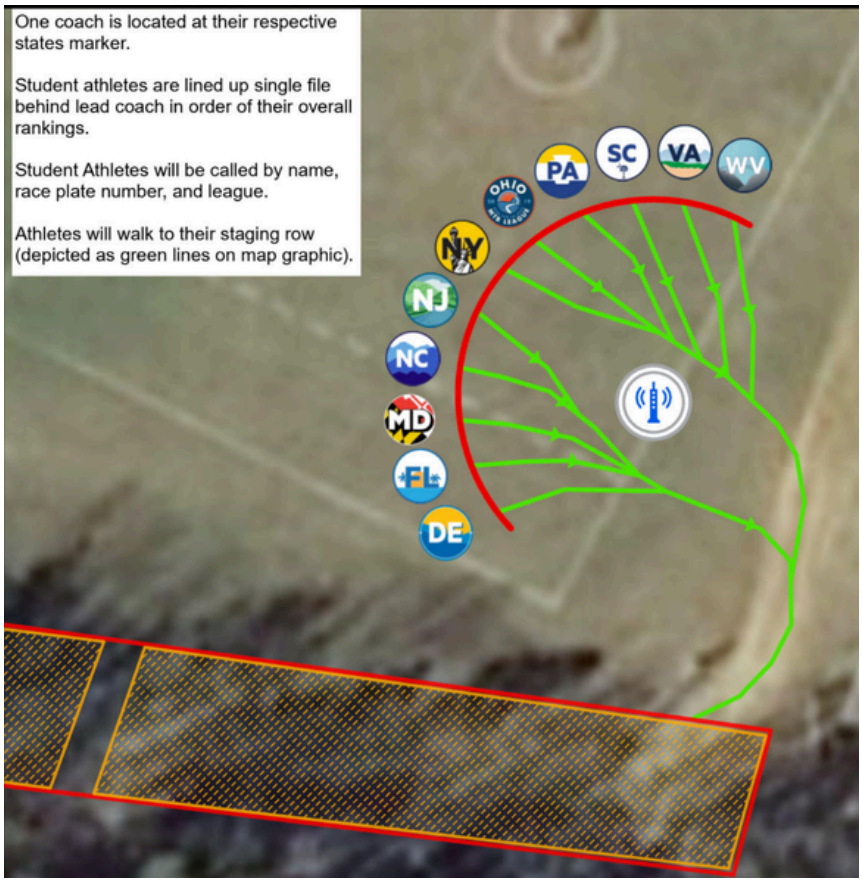

Each group within a category is scored as split groupings, allowing for all athletes to have a theoretical opportunity to win a category. A grouping within a category will start at 2-minute intervals from the previous grouping. Riders are staged five athletes per row, with a maximum of 11 rows (55 athletes) per grouping.

Call-ups
Regional call-up positions are be based on each student-athlete's overall season performance relative to other riders in their race category. This approach helps us fairly integrate riders from different leagues, with varying field sizes and skill levels, into a safe and orderly race start.

- Bib numbers are <u>not</u> an indicator of staging position
- Staging takes place 15 minutes before the scheduled category & wave
- Staging will be performed with one hundred percent of athletes being called to the start line

Pre-Staging Instructions
Pre-staging will be near Senior Rock on the Lower Soccer Field. Leagues will be arranged in rows alphabetically (by league), and student-athletes should be queued by overall ranking within their league category. Categories within the same wave should be pre-staged by category start time. One designated representative per league will be permitted to organize and assist their league with staging. See the diagram on the next page for more information.

STAGING AND CALL UPS

Staging

Each group within a category is scored as split groupings, allowing for all athletes to have a theoretical opportunity to win a category. A grouping within a category will start at 2-minute intervals from the previous grouping. Riders are staged five athletes per row, with a maximum of 11 rows (55 athletes) per grouping.

- Staging volunteers will call athletes to staging by name, race plate number, and league
- Athletes will walk their bike to the staging row
- Athletes will be assigned their starting position from a rider's left to right

Remember that Regionals call-ups, staging, and race processes may look slightly different from your home league - and that's OK. NICA leagues all share the same stoke, values, and mission, but may vary in their approach to call-ups. The process detailed in our event guide has all the info you need to feel prepared.

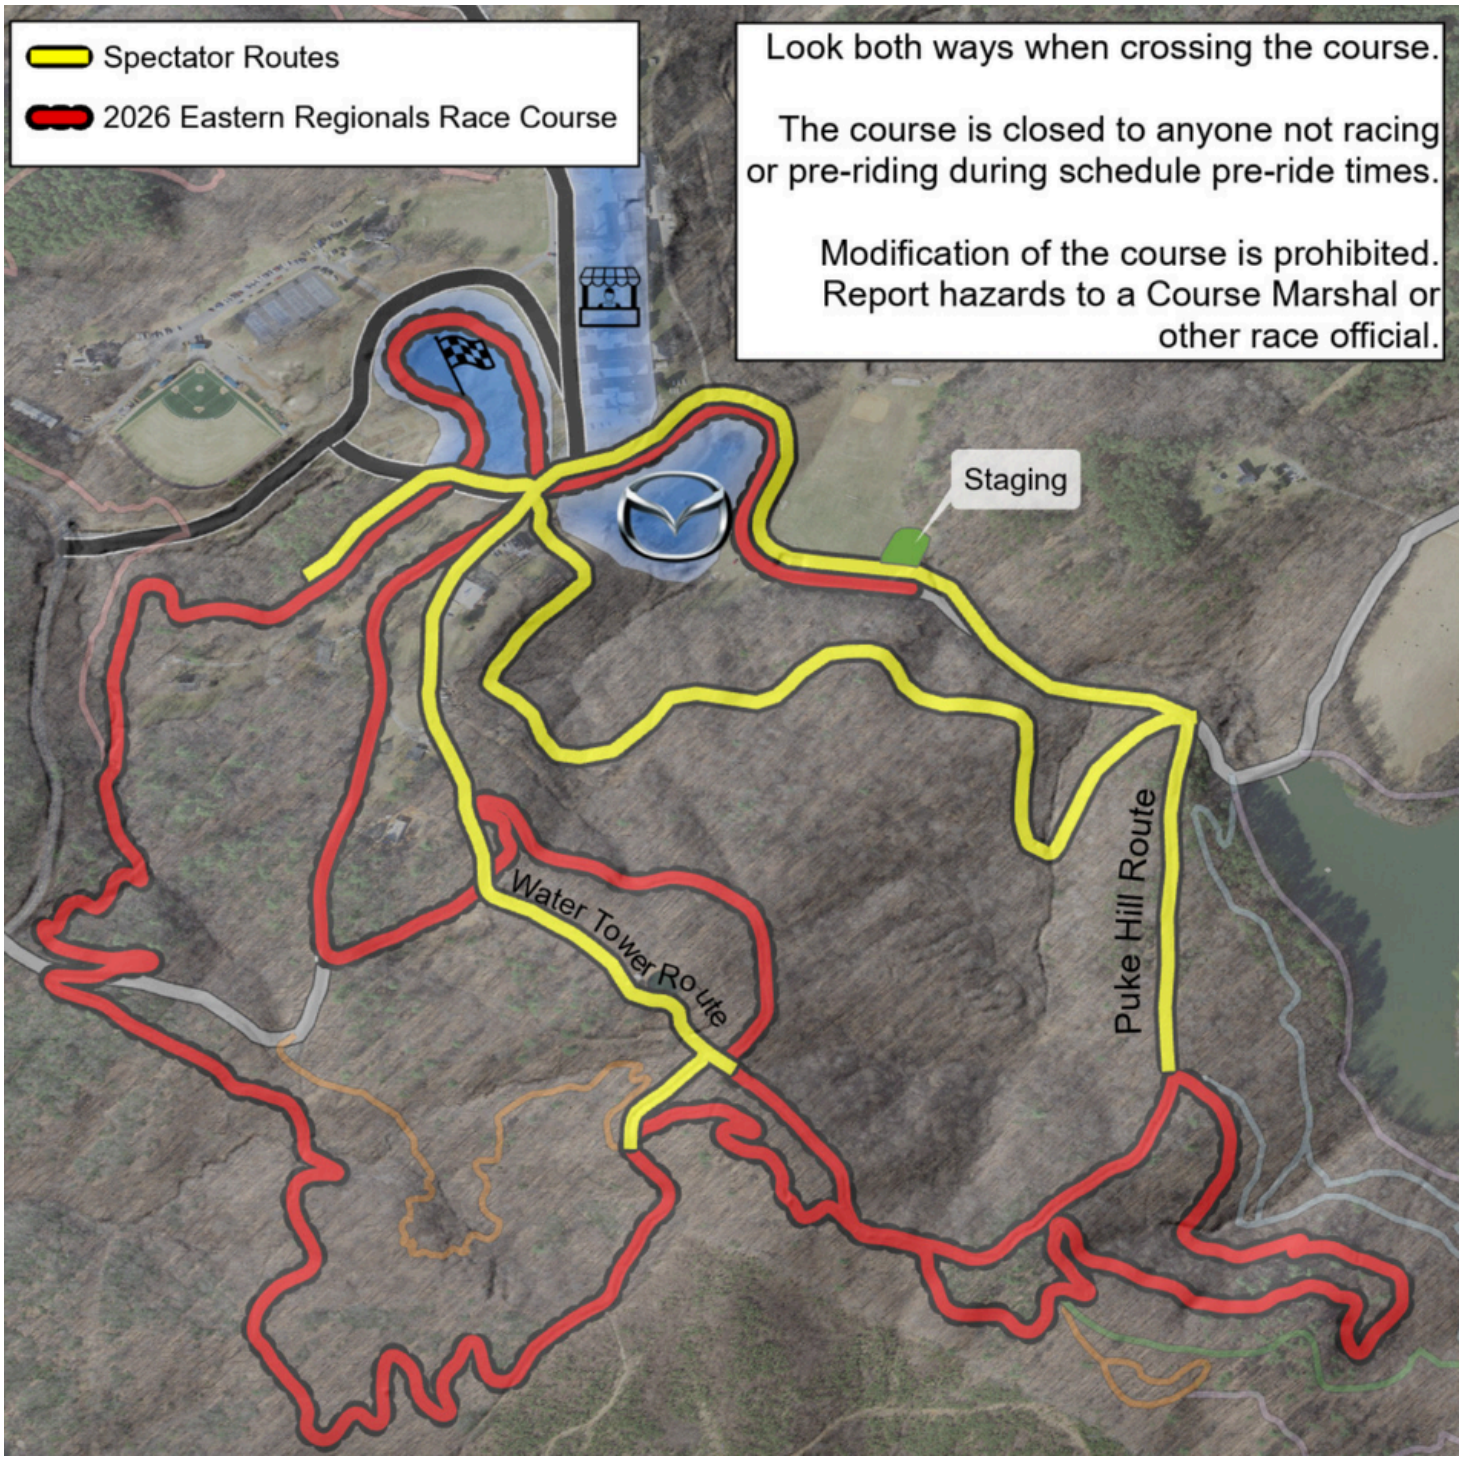

FEEDZONE

Only coaches, identified by league apparel, are permitted in the feed zone. The number of coaches is determined by the number of team athletes competing in a category.

See the NICA Regionals handbook for more information.

SPECTATING MAP

AWARDS

Awards will take place at the conclusion of all racing.

Individual awards

Each category will be awarded 5 places deep on the podium. Each athlete will be awarded a regional event medal. Category winners will be awarded a regional event jersey.

Spirit of NICA awards

A single league will be awarded for demonstrating exceptional spirit in each of the following categories.

- **GRIT Award**
  - Awarded to the league with the highest percentage of girls participating in Adventure and/or Race, relative to the league's total Regional registration
- **Strong Body Award**
  - Awarded to the highest point-scoring league at Regionals. See rule 5.16
- **TTC Award**
  - Awarded to the league with the highest average Teen Trail Corps (TTC) hours per student-athlete over the course of the season.
    - Calculated as: Total TTC hours ÷ total number of league student-athletes.

NICA + USA CYCLING
POINT SHARING INFORMATION

Earn USA Cycling points at NICA Regionals

NICA and USA Cycling (USAC) have partnered to allow NICA student-athletes to earn USAC points at NICA races. NICA will share race results with USAC monthly, giving eligible riders the opportunity to build their USAC points total while racing with their NICA league.

To receive USAC points:

- You must have a current USAC license.
- Your USAC license number must be in your NICA Pit Zone profile *at the time of the race*.
- USAC will not accept points retroactively. Ensure all information is updated before you race.

More opportunities for NICA riders & coaches

The partnership also creates additional opportunities for NICA families and coaches, including USAC educational webinars, college scholarship information, and reciprocal coach education credits. Stay tuned to NICA email and league news for more information.

WEATHER POLICY

Mountain bike racing is a weather-dependent activity. NICA Regionals staff will evaluate many factors regarding the impact of moisture, temperature, and other environmental conditions on the safety of participants, spectators, staff, and volunteers along with the long-term impact on the trail systems and venue.

Any decisions regarding canceling, postponing, or altering race start times, lap lengths, number of laps, etc. will be made jointly by the director of the host league, land manager(s), the lead course marshal, the course setting crew, and the event director. Often, this decision cannot be made until the morning of the event due to the unpredictable nature of wet or stormy weather, or acts of nature such as lightning, fires, etc.

NICA weather policy

Eastern Regionals has a rain date of October 31 - November 1. A decision to postpone will be made no later than Tuesday, October 20th at 9:00 PM

REFUNDS

There are no refunds for registration fees for changes or cancellations made due to weather. Registration fee may not be transferred to subsequent races or events for changes or cancellations made due to weather.

Participation Refund
There are no refunds on any registration payments, even if the event is canceled. In the event of a cancellation, the event will use your event payment to cover costs already incurred to support the event or reinvest those funds into future programming.
